

# IPAF DEMONSTRATOR TRAINING PROGRAMME ...

## INTRODUCTION

AFI-Uplift is proud to be registered as an approved IPAF training centre. As the most established access platform training provider, recognised UKCG (United Kingdom Contractors Group), IPAF courses provide the ideal path to gaining qualifications.

Training for this course can be undertaken on the following categories: 1a, 1b, 3a and 3b. The course is for a duration of 1-3 days, depending on the number of categories required.

On successful completion, delegates will receive an IPAF Demonstrator Card giving instant recognition of identity and the categories accredited. The card is valid for 5 years, after which the delegate would need to be re-assessed. Please note, this course **does not** provide delegates with an IPAF PAL (Powered Access Licence) card.
