

IPAF LOADING / UNLOADING TRAINING PROGRAMME ...

INTRODUCTION

AFI-Uplift is proud to be registered as an approved IPAF training centre. As the most established access platform training provider, recognised UKCG (United Kingdom Contractors Group), IPAF courses provide the ideal path to gaining qualifications.

Training for this course is undertaken on the following categories: 1a, 1b, 3a and 3b. The course is for a duration of 1 day.

On successful completion, delegates will have their IPAF PAL (Powered Access Licence) card endorsed with this qualification.

COURSE ENTRY CRITERIA

- Applicants should be at least 18 years old and physically fit.
- Applicants should hold a valid IPAF PAL card for the relevant categories of machines.
- It is desirable (but not mandatory) that applicants hold a current LGV licence or other suitable licence.

N.B. If you have any concerns about whether you are eligible to undertake this course, please contact us.

COURSE OBJECTIVES

By the end of the course, the delegate will:

- Be fully aware of hazards associated with transporting access and plant machinery.
- Be fully aware of their responsibility and associated legislation.
- Be fully aware of safe procedures for loading and unloading.
- Be able to carry out inspections and risk assessments.
- Be able to correctly position the vehicle for the task in hand.
- Be able to safely and securely load and unload.
