

# IPAF PUSH AROUND VERTICAL (PAV) TRAINING PROGRAMME ...

## INTRODUCTION

AFI-Uplift is proud to be registered as an approved IPAF training centre. As the most established access platform training provider, recognised UKCG ( United Kingdom Contractors Group ), IPAF courses provide the ideal path to gaining qualifications.

Training for this course will be undertaken on a PAV. The course duration is half a day. Operators who are already trained in the categories 1a and/or 3a will also be able to use a PAV after being familiarised by a qualified person with the specific machine.

On successful completion, delegates that do already hold a IPAF PAL ( Powered Access Licence ) card will have their log book endorsed with this qualification. Delegates that do not hold a IPAF PAL card they will receive a PAL photo ID card, giving instant recognition of identity and the categories accredited. The card is valid for 5 years, after which the delegate would need to be re-assessed.

## COURSE ENTRY CRITERIA

- Applicants should be at least 16 years old.
- It is desirable ( but not mandatory ) that applicants should be literate.
- It is desirable ( but not mandatory ) that applicants have had driving experience as an indication of dexterity.

*N.B. If you have any concerns about whether you are eligible to undertake this course, please contact us.*

## COURSE OBJECTIVES

By the end of the course, the delegate will:

- Be fully aware of the relevant Health & Safety regulations and accident prevention and control.
- Be fully aware of the needs regarding personal protection equipment, Correct emergency procedures, capacity and limitations.
- Be able to manoeuvre and position the machine as required, and operate the machine proficiently and safely.
- Be able to correctly position and carry out the required tasks in a correct and proper manner.
