

**YOUR PLATFORM TO ACCESS ...**

**AFI Rental ...**

AFI offers a comprehensive range of powered access machines, ensuring the availability of equipment specifically suited to your individual needs.

A call to our National Hire Line will direct you to the best depot for your location, where our experienced team is available to advise you and help with recommendations, to ensure that you are conforming to the most recent "Work at Height" legislation.

With over 4,300 machines and 17 depots, AFI has the resources and commitment to fulfil your powered access needs.

**AFI Training ...**

AFI is committed to promoting safe working practice through comprehensive training and customer education.

The company is proud to be registered as an approved IPAF training centre, recognised by MCG (Major Contractors Group).

As an approved IPAF training centre, we can provide the appropriate courses you need to suit your individual requirements as well as offering ROSPA and PASMA accredited courses in addition to AFI's own tailored training programmes.
