

### DURATION

Half Day

### WHO SHOULD ATTEND

This programme is designed for any employee who may have a responsibility for fire procedures within their organisation. Fire Warden/Marshal Training is essential to ensure that employees who are designated as Fire Wardens or Fire Marshals understand their role and their duties within the Regulatory Reform (Fire Safety).

### AIM

To provide delegates with a thorough understanding of fire safety, the associated legislation, and the roles and responsibilities of their duties as a Fire Marshal/Warden.

**AFI is pleased to be able to provide an extensive range of certified training courses in collaboration with Speedy Training.**

**Delegates should provide a passport photograph on the day of training for production of ID Cards.**

**Delegates attending this course should be physically and mentally fit to withstand the rigours of training.**

**The contents of this course includes awareness of periodic examinations of equipment. The course does not provide full training in maintenance of equipment. Additional training relating to this subject may be of benefit to delegates.**

**For training held at your own location please ensure you make available a classroom suitable for the number of delegates attending, with a 240v power supply. Please ensure the practical area is free from harm, suitable for training and that it has been risk assessed.**
