

DURATION

1-5 Days (Subject to Units Undertaken)

WHO SHOULD ATTEND

This course is designed for Operatives who carry out excavation, backfill and reinstatement of various materials for undertaking street works.

AIM

To provide delegates with the skills and knowledge to perform operative duties to the standards prescribed by City & Guilds in-line with the new NSW Act 1991, in order to safeguard themselves and others.

AFI is pleased to be able to provide an extensive range of certified training courses in collaboration with Speedy Training.

There are 9 units for Operatives and a separate certificate is issued for each. In addition, various combinations of the units will lead to a full Street Works qualification for which an SWQR card will be awarded.

Delegates should provide a passport photograph on the day of training for production of SWQR cards.

Delegates attending this course should be physically and mentally fit to withstand the rigours of training.

Training may be held at your own location subject to approval by the Awarding Body.

COURSE CONTENT

- ◆ Location of Underground Apparatus
- ◆ Signing, Lighting and Guarding
- ◆ Excavation in The Highway
- ◆ Reinstatement of Compaction and Backfill Materials
- ◆ Reinstatement of Sub-base and Road Base Non-bituminous Materials
- ◆ Reinstatement of Cold-lay Bituminous Materials
- ◆ Reinstatement of Hot-lay Bituminous Materials
- ◆ Reinstatement of Concrete Slabs
- ◆ Reinstatement of Modular Surfaces and Concrete Footways

The training methods used in this course include a high proportion of group exercises with continuous oral and practical assessments, supplemented with video and classroom based tutorials.

A training group may contain a mix of both Operatives and Supervisors. Sessions will be varied within the overall framework to allow the most effective development of the candidate.

OPERATIVE QUALIFICATIONS

01. Excavation In The Highway (Units 1-3)
02. Excavation, Backfill and Reinstatement of Construction Layers, with A Bituminous Surface (Units 1-6)
03. Reinstatement of Construction Layers in Hot-lay and Cold-lay Bituminous Materials (Units 1, 2, 6 & 7)
04. Reinstatement of Concrete Slabs (Units 1, 2 & 8)
05. Reinstatement of Modular Surfaces and Concrete Footways (Units 1, 2 & 9)

KNOWLEDGE

By the end of the course, delegates will be able to:

- ◆ Summarise the requirements of the NSW Act 1991
- ◆ Select appropriate personal protective and safety equipment as required to carry out street works activities
- ◆ Perform duties of each unit and/or qualification as prescribed by City & Guild standards in-line with current legislation and ACOP where applicable
- ◆ Provide a safe working environment for themselves and others
